while we are all being
KIND, CARING AND CAREFUL.

Congratulations! Not only have our 2017 'Computer in Homes' adults graduated and received their new laptops but they have become TV 'stars'. Last Sunday on TV1 news they were filmed at their graduation ceremony for an item on the ending of Computers in Homes scheme. Thank you for helping to push for a fantastic scheme like this to continue. Nicky has a copy of the TV item if you missed it on Sunday.

^ Graduation being filmed for TV.

Our school is a WASTEWISE school and our students are learning to all become 'WASTEWISE WARRIORS'. We sort our rubbish into: recycled paper and cardboard; food scraps - go into our wormfarm and compost; and landfill waste (our smallest buckets!). Food wrappers go home for disposal. Our students are taught to be

careful about rubbish disposal and our environment, both at school and out in the community.

We all don't like messy streets so please remind your children to take their rubbish home.

Our school uniform is compulsory. Please make sure your child is wearing only our school shorts, trousers or skirts and jackets along with the pukeko logo polo shirt and navy blue hat. Uniforms, new and second-hand, can be ordered and purchased through the Office. PLEASE CHECK THAT JACKETS ARE NAMED.

Uniform purchases may be WINZ-assisted. Please ask at the Office for more information and help.
