Monday 3rd June – King's Birthday – no school
Friday 28th June – Matariki – no school
Friday 5th July – Term 2 ends.

COLWILL MASSEY

Term 2
Week 1

Study Centre

Study Centre is for students from Year 3 to Year 8 who require extra study support. This programme is offered to students at the teacher's recommendation, so forms may be sent home with your child. In collaboration with our Study Centre staff, teachers will provide the work needed for your child and our SC staff will support them in their work. This is a free study/learning opportunity for your child, especially regarding homework, with afternoon tea provided as well. The centre also provides arts and crafts with digital technology support where needed.

If your child has been selected by their teacher, further information will be sent home soon.

PB4L Positive Behaviour for Learning

PB4L School-Wide looks at behaviour and learning from a whole-of-school as well as an individual child perspective.

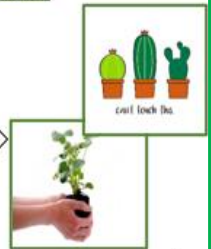

This week our school learned how to show respect and care towards our new gardens and plants.

Caring for our trees and gardens

We walk on paths, not our gardens.

We show respect towards the trees and plants and treat them with care.

We keep our gardens clean and tidy and pick up any rubbish we see.

We leave young saplings or plants alone to grow.

DID YOU KNOW...?

Plants are living things. They need air, water, soil, and sunlight to live. Plants are important to humans. We couldn't survive without plants. Can you think about how many ways plants are important to the world?
